Loni,
Well, Hi, John,
we're had some
very informative
discussions haven't
we? I really think
you are a talented
and sweet person
and I wish I could
have known you
sooner. I don't
think I can stop

Foreword

Hoover is proud of its spirit. The signs in the halls have constantly reminded us of this. In these pages we have used the signs to recapture the best days of this year. This book will help recall the many wonderful memories of your days at Hoover. But there are other signs which point to a great school. The championship basketball team, the enthusiastic support of clean campus week, the excellent academic achievement; all these indivate Hoover is "a little bit better."

We, the staff of Dias Cardinales, proudly present, "Signs of a Great Year."

Lori - it has been very
nice knowing you this
year and I hope to meet
you someday maby. I must
say all the luck in the world
to the guy I am

Dedication

We, the Class of 1962, have chosen to dedicate this year's Dias Cardinales to Miss Myrtle Burton. For several years Miss Burton has given much of her time and energy in promoting the welfare of the Senior classes as Senior Class Advisor. Many in the Class of '62 will remember Miss Burton as a helpful and sympathetic counselor. All of us who have had the privilege of knowing her in the classroom, the counseling office or on campus will never forget her friendly smile and warm personality. In gratitude for your untiring devotion to the student body of Hoover High School we dedicate our annual to you, Miss Burton.

ADMINISTRATION

The horizon of this wide, wonderful world of ours is clouded with conflicts, distrust and unhappiness.

We look to our God for guidance and our leaders for help. We each have a definite responsibility in making this a better place in which to live. Certain signs of the past year tell us that the hope of the future rests with you - Our Youth of Today.

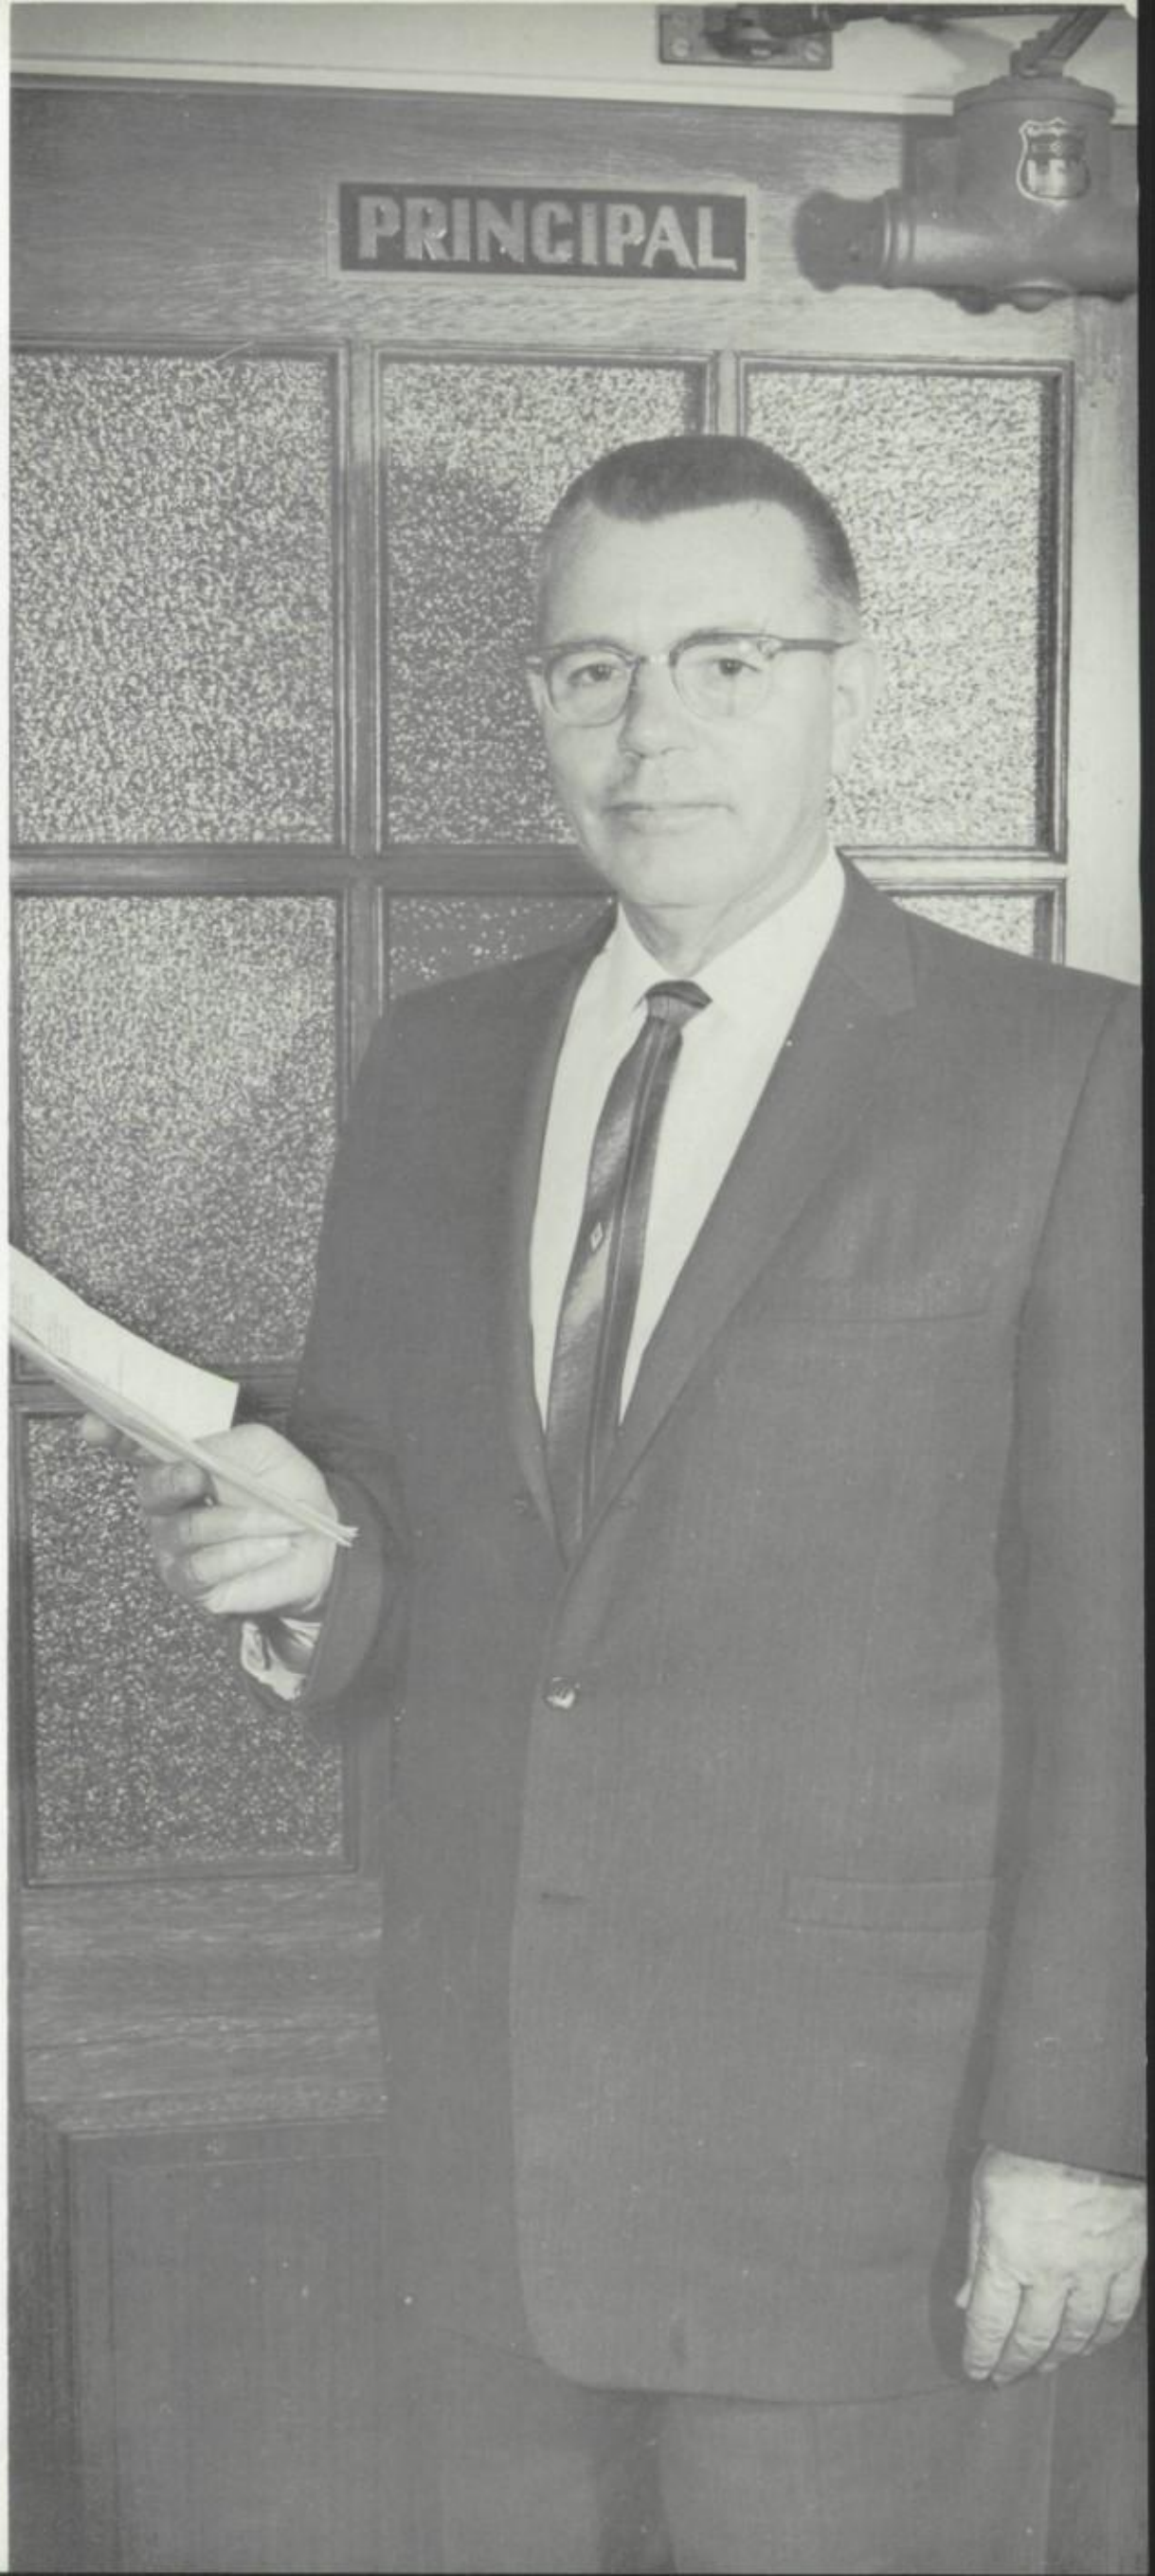
Your seriousness and enthusiasm which you displayed at the beginning of your senior year were positive signs for a great year.

Your courage and perseverance throughout the school year were signs of continued success.

Your acceptance and completion of your school responsibilities, including academic studies, student government, and extra-curricular activities were signs of a job well done.

My hearty congratulations to the class of 1962. As your school principal, I am especially proud of you, and I will emphatically state again that the hope of our immediate future rests with you - Our Youth of Today.

Percy Allen



William G. Matthie has very ably spent his first year at Hoover as the EXECUTIVE VICE-PRINCIPAL. Mr. Matthie enjoys athletics and camping. He is also quite active in scouting. He received his A.B. from San Diego State College and his M.A. from California Western University.

Hoover had a new DIRECTOR OF STUDENT AFFAIRS this year. Mr. J.M. Tarvin handled his new duties skillfully. The board of commissioners ran with great success because of patient guidance. His main interest lies in his three year old daughter. He holds a B.A.; and an M.A. from the University of Nebraska.

Mrs. Lois Jackson Ruffa, GIRLS' VICE-PRINCIPAL, was new to Hoover this year. She was liked by Hooverites immediately because of her warm personality and ready smile. Office Staff

The secretarial tasks at Hoover, of which there are many, are handled by the office staff. These ladies work daily in the financial office, the library, the attendance offices, and do general secretarial work for the administrators. The smooth operation of the varied types of school business is the result of the devoted work done by these secretaries.

Senior Counselors

It has been said that the standard and ideal for Americans is the silver dollar. Upon examining one of these, one finds two inscriptions. The first, "E pluribus unum," applies as the Class of '62 has worked together in unity of purpose, joining strength to strength; one in earnest endeavor and unselfish purpose. The second, "In God we trust," is of special importance in our atomic world lest we lose sight of the very purpose of life itself. These are the "Signs of a good year" which the dollar cannot buy, but which I wish to bequeath to you, the Seniors of Hoover High of the Class of '62.

Myrtle M. Burton

To all Seniors of the Class of 1962, my congratulations. Another goal has been achieved: graduation from high school. As you go forth into the world, whether it is to college, business, the services, or into a vocation, I wish for all of you the very best. Good luck.

Helen Donnelly

This has been my first year as a senior counselor and I have found it to be a rel pleasure and inspiration to be associated with you. Many of you have done well these last three years and have reason to be proud. Some of you have not done so well but have an opportunity to make good in your next venture. It is my sincere desire that all of you hold your standards high and accomplish great things.

Cardinal Co-eds

The oldest, largest, and most active organization on Hoover High's campus is the Cardinal Co-eds, formed in 1930, when Hoover first opened her doors. Each girl registered at Hoover is a member of Cardinal Co-eds. The purpose of this organization is to further a feeling of unity among the girls of Hoover High. The Cardinal Co-ed activities include the Big and Little Sister Party, the Dad and Daughter Banquet, Red Bird Revue, The Mother's Day Program, all girl assemblies, and the annual mum sale. In addition to these activities the officers attend the San Diego County Conferences of the Girls' Leagues. Last year, the Cardinal Co-eds adopted Lui Kar Lam, an orphan who lives in Hong Kong. Miss Ingebritson is the sponsor of Cardinal Co-eds.

Miss Ingebritson, Sponsor.

Miss Ingebritson has sponsored the Cardinal Co-eds for two years. She especially enjoyed the Dad and Daughter Banquet and the Mother and Daughter Program this year, for she was inspired to see the loyalty of the Hoover Co-eds toward their parents.

The Organization of Girls League has a Regional and Southern California Conference for elected officers and their sponsors. Last year, 1500 girls attended the Conference at Lakewood. This year, on March 31, the annual Girls' meeting was held at Whittier. The overall program of the Girls' League promises a great potential for future leadership for American girls.

Ducateers

The DUCATEERS is one of Hoover's most active service groups. Members are chosen on the basis of honesty, punctuality and a willingness to accept the responsibilities pertinent to the handling of school money. They sell tickets to all athletic events and other general student body activities. They also assist in special fund raising activities. The training has proven very beneficial in securing future positions. Selection is highly competitive and preference is given to those girls who also serve as monitors in the business office. Each accepted acplicant is expected to maintain the high standard of integrity that has been established by predecessors.

Present members who have been in the organization the maximum of two years are: Patty Barth, Carolyn Ellzey, Mary Ann Enyeart, Shanna Palmer, Sharon Pine, Judy Richmond and Andrea Wilson.

First Row: Mrs. James, Sponsor, Pine, Richmond, Miss Martha Miller, Sponsor. **Second Row:** Cummens, Coble, Bailey, Palmer, Amador, Morgan, Verner. **Third Row:** Barth, Cicone, Cunningham, Wean, Achterman, Henderson, Albert, Phelan, Enyeart.

Key Club

7-up, Coca Cola . . . 25¢ This was the cry of the Key Club during the Kiwanis Basketball Tournament. The Key Club is affiliated with the East San Diego Kiwanis Club and is composed of 35 boys, 20 Seniors, 10 Juniors, and 5 Sophomores. The Key Club helped the Cardinal Co-eds with the Dad and Daughter Banquet, handled concessions at the Kiwanis Basketball Tournament, gave aid to the Red Cross Drive, and distributed posters for American Education Week. In addition to the other activities, the club meets bi-weekly for breakfasts in the cafeteria.

Library Assistants

The student library assistants and textbook room assistants serve the student body and learn skills which may be applied in other classes and in future jobs. Each spring a party is held and the student assistant who has served the student body best, beyond that which is required, is presented with a twenty-five dollar check, and his name is engraved on the Emily Morse Award plaque.

"Christ for me, yes it's Christ. . ." this is the chorus of one of Bible Club's favorite songs, and also the purpose of the club. Hoover High's Bible Club was organized fifteen years ago and since then, has continued to be one of the largest and most active clubs on campus, averaging sixty members at the weekly meetings. The club provides Christian fellowship and encourages the understanding and acceptance of Christ, and the Bible as the Word of God. Speakers are invited from the different denominations represented by the club's membership. Besides the weekly meetings, social events are held, such as dinners, patio parties, or swims. Membership in Bible Club is open to all Hoover students who wish to join and who will attend the meetings fairly regularly.

DIRNDL DAY

Fashion Show

Dirndl Day is Hoover's official recognition of spring. The Girls wore their spring cottons and the boys wore suits. The Cardinal Co-eds presented a fashion show. Here is the 1962 spring collection.

NOMINATING CONVENTION

Each year the students at Hoover have a convention modeled after the national presidential conventions. Representatives from each home room are chosen. For a whole day the representatives listen to speeches and take part in demonstrations in order to nominate the candidates to be placed on the ballot. The entire student body then votes for the Associated Student Body officers for the coming year.

CO-EDS of the MONTH

These Senior girls are chosen each month by the Cardinal Co-ed Cabinet. They are chosen for school service, leadership, and good example. Each of these girls has made Hoover a better school by contributing her time and energy to helping others.

DOWNBEAT CLUB

Onward Hoovėr, Onward Hoover, smash right through . . . . Whether it be yells, routines, or music, the members of the Downbeat Club are out there doing their part to bolster school spirit and provide entertainment at athletic events. Song leaders, cheer leaders, flag twirlers, majorettes, officers of the Drum Corps and Pom Pon Corps, and members of the Pep Band comprise the membership of this lively club. The Downbeat Club bought the Cardinal bird a new suit this last year, and together with the Key Club, built our only homecoming float. Through their efforts and enthusiasm, our school spirit remained at the top this past year.

Despite a losing record, the football season at Hoover High was still filled with all the glamour and excitement of a championship. Off to a slow start, the Cardinals bounced back at the end of the season to gain two league victories; thus gaining a tie for third place in the league.

The Cardinals lost their quarter in the city football carnival, but Hoover rooters saw the Eastern league come out on top 12-6. Then we traveled north and lost to a very highly rated San Bernardino team. Back home Hoover's Cardinals finally scored on a quarterback rollout by Lewis in a losing effort to Point Loma. The next game saw Helix, metro-league champs, score on the first series of plays, and then neither team could drive to a touchdown thereafter, although Hoover came close. Saint Augustine's powerful team handed us our first league loss, but on the following week Hoover

bounced back to beat San Diego 19-13 for only the seventh time in the school's history.

The game was highlighted by outstanding team play and Phil Cappelletti's 60 yard touchdown run for our final score in the fourth quarter. Against the Kearny Komets Western League champs, Hoover made a few mistakes and lost a heartbreaker, 13-7. The next week saw undefeated Crawford Colts, SDCIF champs, defeat us 18-0 for our second league setback. Finally Hoover met the Lincoln Hornets in the last game of the season. The score was close all the way, but Hoover came through when the chips were down and upset Lincoln 20-19 in the closest game of the season.

This year's Cross Country team again dominated the Eastern League, as it tookthe championship for the eleventh time in the past twelve years. The team was led by Sterling Jenkins and Larry Gaughen. This year's team lost its first two meets, which were non-league, and then went on to six straight dual-meet victories. They took first in the all-league meet and fifth in the all-county, a commendable effort.

The Junior Varsity followed close behind the Varsity. Led by team captain Ron Haverlandt, the team won six and lost two dual-meets; and also took first in the all-league meet and fourth in the all-county.

Champs again! Under the brilliant leadership of Coach Charlie Hampton, whose basketball teams in the past three years have compiled a marvelous 76-7 record, this year's team achieved an outstanding 25-2 season record, including three championship crowns. Lacking the height and high scoring ability of their recent predecessors, this year's téam proved themselves champs with hustle, defense, and "never-say-die" spirit. This spirit was illustrated by the Cards' victories in all four of their overtime games and their ten wins by five points or less.

The season started off in fine style as the Cardinals captured thirteen victories in a row and the Kiwanis Tournament Championship. However, Crawford put on a fourth quarter stall to upset the Cards 43-39, and then, in the following game, San Diego High handed Hoover its second consecutive setback, 57-54.

The Cards bounced back from a third place league standing and marched past nine opponents, including all four league teams. The climax of the drive was the 57-56 overtime victory over Crawford; and, of course, the thrilling 37-33 victory over the Cavemen from San Diego High, which clinched Hoover's fourth straight league title.

Hoover then entered the C.I.F.S.D. playoffs to defend its crown. The team played like true champs in routing Helix 65-33 and edging Chula Vista 38-36 in a bruising battle. In the finals, played at Cal Western's Golden Gym, Hoover met archrival San Diego High. The game was close with the score knotted at the end of each quarter, but Hoover repeatedly came from behind and finally emerged as the C.I.F.S.D. champs for the second straight year with a 50-49 overtime win.

Congratulations to a great 1961-62 basketball team and their fine coach!

1961-62 was the inaugural year for the Hoover swimming team. This young team was under the able guidance of Coach Norman Polonsky. Although the team is composed of mostly sophomores and juniors, this year's team has done remarkably well. The outstanding swimmer of the team Jim Kelly, who swims almost every stroke, but specializes in the breaststroke and free-style, is co-captain with Art Howard, a fine back-stroke artist. Another outstanding free-styler is Jim Skelley. Most improved are Rick Hewitt and Rick Stark. Coach Polonsky is extremely hopeful for next year as his Junior Varsity team is undefeated.

Although this year's golf team has only been able to come up with two victories at midseason, the team is steadily improving as their scores indicate, such as the exact reverse of the second Kearny score. The golf squad, composed mostly of sophomores and juniors, is under the leadership of Coach Hub Foote. Outstanding players of this young team are Robbie Slaughter, whose average score for nine holes is 41.3; George Wilkes, 43:4; Marvin Cohen 44.5; Also, senior Henry Landt has greatly improved and is expected to be a big help the second half of the season.

Firt Row: Schiefer, Brisker, Yarmon, Hanes. **Second Row:** Coken, Landt, McConnell, Bradford **Third Row:** Slaughter, Wilkes, Bradley, Soukup, Dolan, Coach Foote.

Gymnastics, a sport requiring a great deal of coordination and grace, is in its third year at Hoover. The team participates in such events as the long horse, rope climb, tumbling, trampoline, and parallel bars, under the leadership of Coach Arnold. Outstanding individual performance were by Dennis Johnston, who does well in almost all the events, but specializes on the horizontal and parallel bars, and Tom Merrill on the rope climb, who has a fine time of 4.5 seconds (an unofficial city record).

3rd place in League Standing

Coach Murphy

Hoover Track Team finished third in their league. The Cardinals led by Garrison in the 880 and the relay team. Gained outstanding performances from Craig Henderson in the broad jump and Sterling Jenkins in the mile.

John Garrison crosses the finsih line far ahead ot anyone else. It's no wonder, as Garrison set the 880 that day with 1:57 880 that day with 1:57.6. Weeks later at Crawford Garrison beat his own record

Right: Here they come around the first turn of the 880. Although Hoover's men failed to win, they gain at second and third place. **Below:** left, Phil Cappelletti sprints towards the bar as he attempts to clear 10 1/2 feet in the pole vault. **Below:** second to left, Craig Henderson gives it all he has in the broad jump. Henderson's best jump was 20' 9 1/2", as Hoover swept the event at La Jolla,

Above: Fred Green gives all he has in the shot put. Green didn't win, but his teammate placed first and second in the Lincoln meet.

Above: The start of the mile at La Jolla sees Hoover track men Mike Hoskins, Rob Fishburn, and Larry Gaughen in lanes two, four, and six respectively. **Left:** At end of the first lap Mike Hoskins leads with Rob Fishburn taking over second.

Below: left, Bob Higon clears the second hurdle right behind his Viking opponent, as he and Jim Cain placed second and third in the low hurdles. **Below:** center, Phil Cappelletti approaches the board in the broad jump. **Below:** right, Hoover's relay is victorious once again as Tom Agsten carries the baton across the finish line. **Above:** Coach Holt figures up the score, as his team defeats La Jolla easily.

Right: Wayne Hoffman barely clears the bar at eleven feet in this elevated shot. Hoffman's vault tied him for first place with a Lincoln Hornet and his teammate, Tom Hirata, took third for the Cardinals. Hoover lost the meet to Ragsdale and Company, 59 1/2 to 44 2/3. **Below:** Rob. Fishburn wins the mile at La Jolla. His time was 4.55.3 Hoover placed one, two, three in the mile, the 220 yard dash, and the braod jump as Hoover slaughtered La Jolla 67 to 37.

B Track

This year's fine B Track, which was under the guidance of Coach Holt and Coach Murphy, at midseason had been victorious over Clairemont, La Jolla, Lincoln, and Point Loma, whie only losing by a mere three points to Crawford. Outstanding indicidual efforts were by Joe Ballaglea in the sprints; James Pitt, who is undefeated in the 660; and Ron Haverlandt in the 1320.

James Pitt takes the lead early in 660. Both Pit and the Cards B track team defeated the Clairemont Chieftains

They're fairly even as they clear the first hurdle, but all three Cardinal track teams easily defeated their Viking opponents.

C Track

The C track team, which is also under the fine leadership of Coach Holt and Coach Murphy, has been defeated only once thus far in the season. By far the outstanding performance of the team has been by 5'4" Ed Hanks who has high jumped an amazing 6'1" to set the school record in that event. The fine combinations of Richard Champan and Gary Cobbs in the 1320, has yet to be beated, and also outstanding are Doug Wright and Norman Hirata in the sprints.

VARSITY BASEBALL 1961-1962

Coach Bartow's baseball team has had its problems this year. Hopes were high to repeat last year's CIFSD Championship after finishing second place in both summer and winter leagues. The team lost the summer league championship to San Diego in a 4 to 3 eleven innings battle. However, injuries to key players, batting slumps, spotty pitching, and fielding slumps have hurt the Cards immensely. At one point in the season Hoover's team had a fine 6-2 record, but then suffered a five game losing streak, which included four league games, and thus ruined the Cards' pennant hopes for the league. Outstanding players at the plate this year were Vern Elliott, hitting .324 at midseason, Dale Twombley, hitting .348, and Bill Homek, hitting .333 and several homeruns. On the mound Cardinal standouts were juniors, John Peterson and Dave Doyle. Also seniors, Fred Carbone and Chris Igelman led Hoover's defense. Bob Moffett is the most improved on the Cards 1962 baseball team.

Acknowledgements

The book which you now hold in your hands represents many hours of work. There were about fifty people and thousands of dollars involved in producing our annual. Without the teamwork and cooperation of each person we could never have finished the job. For us on the Annual Staff it has been a rewarding, if sometimes trying experience.

We are grateful for the work ob the Busco-Nester studios. They spent many long hours making pictures. Thanks particularly go to Eddie, Jess, Phil, Mrs. Wold and especially Mr. Busco and Mr. Nester who so graciously helped iron out the many problems that came up.

Thanks to Dave Johnson from the Cardinal staff for loaning us prints.

To each member of the staff I extend my thanks and appreciation. Everyone worked so hard and so faithfully to produce the best yearbook ever. From the bottom of my heart I say thank you: Jo Ann, Barbara, Phil, Linda, Carol, Sherrie, Virginia, Jeannie, Sue, Vivian, Jane, Helen, Steve, Skip, Jim, Tracy, Donna, Deanna, Rick, Lucky, and Cheryl. But we never could have done it without the patient help of our advisor, Mr. Jappe.

Hail, Herbert Hoover High!
This is our song to thee;
"Long may your banners be
Crowned with victory."
We pledge our loyalty,
And our sincerity;
We will be true to thee--
Hail, Hoover High!
